

PROPOSED TEMPORARY CLOSURE OF WOOTTON LANE, WOOTTON FITZPAINE

I have received an application from National Grid to close WOOTTON LANE, WOOTTON FITZPAINE between the entrance to Dairy Farm and Manor Gardens, a distance of approximately 550 metres. The closure has been requested to allow National Grid to carry out overhead line refurbishment and pole changes. These works are programmed to commence between 0800 and 1800 from 11 March 2024 until 22 March 2024.

National Grid will publicise the road closure in a number of ways: they will place information boards on the road in this area to inform the travelling public of the works; they will carry out a letter drop to local residents directly affected by the works; and they will sign a vehicular diversion route using the local road network. The following map shows the extent of the closure and the diversion route.

This document is for information only, however if you have any concerns about this proposal, please contact Izzy Rowland, (trafficteam@dorsetcouncil.gov.uk) by 11 February 2024.
