## PROPOSED TEMPORARY CLOSURE OF BERNE LANE, WHITCHURCH CANONICORUM

I have received an application from Openreach to close BERNE LANE, WHITCHURCH CANONICORUM between its junction with Becklands Lane and its junction with A35, a distance of approximately 2300 metres. The closure has been requested to allow Openreach to replace BT poles. These works are programmed to commence between 0800 and 1600 from 27 March 2024 until 28 March 2024.

Openreach will publicise the road closure in a number of ways: they will place information boards on the road in this area to inform the travelling public of the works; they will carry out a letter drop to local residents directly affected by the works; and they will sign a vehicular diversion route using the local road network. The following map shows the extent of the closure and the diversion route.

This document is for information only, however if you have any concerns about this proposal, please contact Izzy Rowland, ([trafficteam@dorsetcouncil.gov.uk](mailto:trafficteam@dorsetcouncil.gov.uk)) by 12 March 2024.
