New Tree Preservation Order TPO/2022/0027

Dear Sir/Madam

This is to inform you that the provisional Tree Preservation Order (TPO) has been made at Stonebarrow Manor, Stonebarrow Lane, Charmouth, Bridport, DT6 6RA on **26 May 2022** for the following reason(s):

The following is the statement of the Council's reasons for making the Order (as required by **REGULATION 5** of The Town and Country Planning (Tree Preservation) (England) Regulations 2012):

Following submission of Planning Application ref: P/FUL/2021/00554, an investigation confirmed that the trees are currently unprotected by either a Tree Preservation Order or within a Conservation Area. A site visit was undertaken, and an assessment was made of the trees on site which are considered important visually for the local and surrounding area and therefore their long-term protection and retention is sought. This is a replacement order for the unconfirmed and lapsed order reference TPO/2021/0034.

Tree Number and description	Situation
T1 - Ash	As map
T2 - Ash	

As mentioned the order is currently provisional and the Council will have six months, from the date on the order, in which to decide whether the order is to be confirmed or not.

All representations or valid objections regarding the order received within the 28 day notice period will be considered prior to any decision being made.

The authority will take your comments into account when deciding whether or not to confirm the order.

In the absence of any objections the order will be confirmed, with or without modification, under powers delegated to the Service Manager for Conservation.

Should you have any questions or queries regarding this TPO, please do not hesitate to contact me.

Yours faithfully
