

## Char Valley Parish Council Communications Working Party Report October 2021

Matters for consideration by CVPC:

- 1) Wootton Fitzpaine CVPC notice boards.

There has been a complaint from a resident in Wootton Fitzpaine concerning the noticeboard situated on the road side verge outside their property. The resident was concerned that our removal of out-of-date and badly deteriorated notices had removed some valid notices, and questioned both the ownership of the board and CVPC's stewardship of this board. This will be discussed at the CVPC Meeting.

Councillor Chris Noon
