

DAPTC report September 2021

There have now been 2 online meetings of the DAPTC Western Area Committee since lockdown. I was unable to attend to first meeting but at the recent AGM the existing officers were reappointed:

Chair: Chris Turner

Vice Chair: John Broom

Secretary: Sal Robinson

I am waiting for the minutes of that meeting but it included a presentation from Neil Wedge:

- He encouraged councillors to attend DAPTC courses many of which have been revamped and revised. They cover a wide range of interests including new e-learning modules on topics such as Stress Management, Team Leadership, Time Management and Personal Safety
- All councillors need to attend Code of Conduct Training
- Huge increase in planning applications with some councils triaging applications

The next meeting is 25th November which I cannot attend. Would anyone like to take my place?

Cllr Julia Eager
