

Char Valley Parish Council Communications Working Party Report April 2021

CWP held meeting on Thursday 18th March 2021.

Matters for consideration by CVPC:

- 1) CVPC to comment on, and agree the CVPC Welcome Letter to be delivered to newly arrived residents in our parishes either included in the existing local villages' 'Welcome Pack' or separately if appropriate.

The meeting was primarily to focus on production of the Spring edition of Char Chat News. This was delivered to the Post Office for distribution on Wednesday March 31st as planned.

Outstanding actions to be completed included production of the CVPC Welcome Letter and the CVPC Style Guide.

Both of these have been drafted and the CVPC Welcome Letter is submitted to CVPC for comment and approval.

Welcome Letter Note: We have attempted to change the boundary line colours on the Welcome Letter map but have not been successful and propose that we go with the current version for now.

Next CWP proposed meeting: not yet confirmed

Councillor Chris Noon
