

Char Valley Parish Council Communications Working Party Report June 2021

CWP report for June 2021 to included CWP meeting on Thursday 29th April 2021 at 18:00hrs on-line.

Matters for consideration by CVPC:

- 1) Next edition of Char Chat Newsletter to be targeted for Thursday August 26th.
- 2) CVPC should be represented again at the next Whitchurch, Morcombelake, and Ryall Flower and Dog Show

Char Chat Newsletter (CCN): Mike has received a number of updates to our mailing lists – these will be incorporated into our addressee lists for next time. The RCCP questionnaire has so far received a response rate of over 5% which is good for this type of survey.

CWP proposed that the next CCN is targeted for delivery by the Thursday just before the Whitchurch, Morcombelake, and Ryall Flower and Dog Show (WM&RF&DS !) at the end of August. This would allow us to also distribute copies at the Show.

Our CVPC web site continues to be used successfully and we will check to see what progress has been made by DAPTC in providing a WCAG2.2 compliant hosting service as CVPC have agreed to not expand our site until we are compliant.

WM&R F&D Show: CWP would like to have CVPC represented at the show again this year to meet local residents and distribute information about CVPC.

CWP are still working on the CVPC Style Guide recommendations to ensure they are effective but easy to apply, especially given the wide variation in computer systems and capabilities among our councillors.
