

## LOCAL AMENITIES WORK GROUP REPORT ADDENDUM FOR OCTOBER 2021

### NOTICEBOARDS

In addition to the new 2 noticeboards that have been requested in my first report a further two noticeboards will need to be purchased as they are both too small for the amount of correspondence that needs to be put them by the CVPC

This relates to new noticeboards at the Five Bells Inn and at the Village Hall, Whitchurch Canonorum.

It is requested that anyone in charge of placing items on a noticeboard to get in touch with Cllr Creed-Castle **in the event of illness or a printer breaking down** (which prevents them from placing CVPC notices on the said noticeboards), that she will do the job instead for the duration of the problem.
