PROPOSED TEMPORARY CLOSURE OF C87 WHITCHURCH CANONICORUM

I have received an application from BT to close C87 WHITCHURCH CANONICORUM between its junction with Goose Knap and its junction with Bluntshay Lane, a distance of approximately 270 metres. The closure has been requested to allow BT to carry out test rodding and roping. These works are programmed to commence from 22 February 2021 until 26 February 2021 between 0900 and 1700.

BT will publicise the road closure in a number of ways: they will place information boards on the road in this area to inform the travelling public of the works; they will carry out a letter drop to local residents directly affected by the works; and they will sign a vehicular diversion route using the local road network. The following map shows the extent of the closure and the diversion route.

This document is for information only, however if you have any concerns about this proposal, please contact Samantha Paulley, (trafficteam@dorsetcouncil.gov.uk) by 8 February 2021.
