Dear Kit,

Re: Dorset AONB 60th Anniversary Fund – Offer of Grant

Following discussion by the AONB Partnership Funding Panel, I am pleased to offer Char Valley Parish Council a grant of up to £1350 (64% of project costs) for your project: River Char Community Project. This grant offer is subject to the terms and conditions set out below. Before starting your project, you will need to complete and return the Acceptance Form on the enclosed copy of this letter. The offer will be held open for 30 days from the date of this letter, during which your acceptance form must be received to secure the grant.

Project specific Terms & Conditions

1. Project Outputs
   The grant offer will be made for delivery of the project outputs as stated in the application form and with any special conditions outlined. It must not be used for any other purpose. Any changes to the project must be discussed and agreed in advance with the AONB Team. Failure to do this may result in withdrawal of the grant offer and a request for return of any grant money provided.

2. Time Scale
   The elements of the project being funded through the 60th Anniversary grant must be completed by the 30th October 2020. Payments will be made based on evidence of expenditure and can only be made for work undertaken after the offer of grant.

3. Match Funding
   The grant offer will be subject to match funding being provided as specified in the application form, as follows:
   - In-kind match funding: £400
   - Cash match funding: £350

Evidence of this match funding will be required as part of the grant claim. Any changes to the match funding must be notified to the AONB Team and the Partnership reserves the right to alter the offer in the light of such changes.
4. **Project Management**
   Your AONB Team contact for this project will be **Ian Rees** who can be contacted on **01305 228235** or by e-mail at **ian.rees@dorsetcouncil.gov.uk**. Your team contact is there to provide advice and support, to monitor progress and assist with final reporting. They should be your first point of contact in relation to this grant offer.

5. **Special Conditions**
   Sometimes the AONB Partnership may require special conditions where, for example, there is a concern or an opportunity for added value. The special conditions in relation to your project are:
   - Ensure stakeholder and community involvement takes place (that not just a desk top study takes place)
   - Get in touch with Dorset AONB to procure services.

---

6. **Reporting**
   You will be obliged to maintain regular contact with your assigned AONB Team member who will monitor your progress with the project. Before starting your project, you must agree a schedule of interim updates appropriate to your project – at least quarterly – including any upcoming events, photos of progress or activity and a paragraph summary of progress. We will need you to maintain records as the project proceeds on volunteer time, public attendance at events or involvement in the project, photographs of before, during and after and any other relevant information. These should all go into a Final Report which should include the aims and objectives as stated in your application, the work that was undertaken and final outcomes, plus any lessons you have learnt that other groups might benefit from. This report must be submitted with your grant claim form by **30th October 2020**.

7. **Monitoring & evaluation**
   As part of the anniversary programme, the AONB Team has contracted the services of a consultant to assist in monitoring and evaluation. You will be asked to complete a simple questionnaire to contribute to this process. Completion is a condition of grant; final grant payments will only be made following completion.

8. **Payment**
   In general, payments will be made following completion of the project and on receipt of a final report and claim form. You will need to attach proof of all expenditure (e.g. copies of invoices and receipts) with this form.

Grants from the National Lottery Heritage Find are considered public funds and therefore you cannot use them in a way that constitutes unapprovable State Aid.

You must repay to us immediately any grant that we have paid you (and we will stop any future instalments of the Grant) if:

- you no longer operate, or you are declared bankrupt or placed into administration, receivership or liquidation;
- you have, in our opinion, given us fraudulent, incorrect or misleading information;
- you have acted negligently in any significant matter or fraudulently in connection with the Approved Purposes or the Approved Usage;
- any competent authority directs the repayment of the Grant;
• there is a significant change in your status;
• you knowingly withhold information that is relevant to the content of your application;
• you do or fail to do anything that brings us or the National Lottery Heritage Fund into disrepute, or which we consider for any reason puts public funds at risk, or we terminate or suspend any other grant we have given you;
• you fail to make good progress with the project or are unlikely in our view to complete the project or achieve the outcomes agreed with us; or
• you fail to keep to any of these standard Terms of Grant.

If you sell or otherwise part with all or part of the property or assets without our permission, or you receive money in some other way as a result of you not following these standard Terms of Grant, you may have to pay us immediately a share of the net proceeds if that share is more than the amount we would otherwise be entitled to under the above paragraph.

9. Property & Assets
You must continue to own any property or assets invested in through our grant and keep exclusive control over what happens to it. You must not sell, let or otherwise part with it or any interest in it, or give any rights over it to anyone else (or take any steps to do so) without our approval beforehand.

You must maintain the property or assets in good repair and condition. If your grant offer include creating, repairing or restoring property or assets, you must maintain the property or assets in good repair and condition after the work has been done, for a period of 10 years.

You must tell us, in writing, within five working days about any significant loss or damage to the Property.
