£2 Fares

Government funded scheme operates until 30 June 2023

The eye-watering fare increases from First Wessex have been mitigated somewhat by a current government scheme where all single fares are £2.00. This applies to services where no change is necessary.

This means in practice that a direct bus from Axminster to Dorchester is £2. If a change of bus is required in Bridport, the fare would be £4.00 (£2.00 for each bus used). In either case, a significant saving is offered.

On 17th February it was announced that the scheme would be extended to 30 June, there are calls for the scheme to be extended further to encourage more bus use.

A Grand Day Out – Part 3

Bridport to Beaminster, Crewkerne and Yeovil

In a previous issue we highlighted some of the towns and villages on the X52/X53 route from Bridport to Axminster.

We now head north, using the 6 which operates, Mondays to Fridays, to Yeovil. On Saturdays the CB3 bus operates to Crewkerne.

Leaving the market town of Bridport, our bus heads down South Street – a picturesque street full of independent shops, eateries and three pubs. (The George, The Greyhound (side entrance) and The Woodman. Apart from the cars, pictures of South Street from 100 years ago show the same recognisable buildings.

The bus then heads along Sea South South before reaching St. Andrews Road towards Beaminster. If you have time, to be sure to stop off at the Half Moon Inn, Melplash, a local pub serving excellent food. The writer can confirm this!

We are now in Somerset – Crewkerne, an historic and attractive stone built country Market Town in the South
Somerset Hills, Crewkerne has its origins in Saxon times.

Yeovil, a large town in Somerset has everything you need when it comes to shops – with a wide range of high street stores and independent options. Yeovil is also home to the Octagon Theatre, home to the Yeovil Literary Festival and a plethora of other musical and theatrical events, including an annual pantomime. Sadly bus times do not permit visiting an evening show by public transport.

The countryside around Beaminster is beautiful with lush green fields as far as the eye can see. Beaminster is a pretty town with a host of eateries and pubs.

Try Ollerod, a restaurant specialising in locally sourced ingredients, or three pubs – The Red Lion, The Greyhound and the independent Knapp Inn.

Add in some delightful cafes like Cilla & Camilla, The Trading Post, Tangerine Café and Brassica, local walks and Beaminster Museum (open April to October) and you have a grand day out! Do check opening times before you leave!
